## Online ePuja Guidelines:

You can share your customized meeting link with your family members to join in your Online Puja. Please find the below Guidelines to complete your event without having any issue in a simple way.

- Should have Good Internet Connection.
- Should have latest devices which support GoToMeeting & Install from Play Store/Web.
- Should have proper Audio output such as Bluetooth Speakers / Sound Boxes.
- Should have the Video Camera device minimum 2/3 feet distance from the Puja area.
- Puja premises should be visible clearly to Pandit ji while performing the puja to guide properly.
- By default, should be in mute mode & can unmute yourself whenever required.
- Take necessary precautions to avoid background noise such as traffic, house related sounds & TV etc.
- If your video stuck at any point of time due to poor connectivity / low band width, requesting to rejoin again.
- Should be ready with all necessary puja items 15-30mins before the puja start.
- If the Online ePuja link not working properly or any queries reach us @ 9908234595.
